- FY2025 operating loss of NT$3.45 billion with an operating margin of -119.0%.
- FY2025 net profit attributable to owners of the parent was NT$6.03 billion, or an EPS of NT$7.21.

4Q25 Business Update：

- HTC has continued to accelerating its AI glasses market deployment. VIVE Eagle has expanded its footprint to Hong Kong in December. By partnering with telecom operator 1O1O, csl, SmarTone, and optical channel Puyi Optical, to fuse technology, fashion, and lifestyle aesthetics. Meanwhile, HTC has fully upgraded its in-store experience in Taiwan. By partnering with Taiwan Mobile and Kobayashi Optical, and building on its successful collaboration with 2020EYEhaus and numerous partners, the total number of in-store experience points across Taiwan has now exceeded 300.

- G REIGNS has partnered with Japan's FUJISOFT to drive the 5G digital transformation of the Japanese pelagic fisheries. By integrating 5G private networks with LEO satellite connectivity which has achieved high-speed, stable maritime communications. This has enabled fishing vessels to transmit real-time high-definition video and voice messages, significantly enhancing operational safety and efficiency.

- VIVE Arts has driven the fusion of culture and technology to create world-class immersive cultural experiences. By leveraging large-scale XR technology to recreate the ancient pyramids, the world-touring exhibition “Horizon of Khufu” has officially debuted in Taiwan. Partnering with the Chimei Museum and Mediasphere Communications, the exhibitions have been held simultaneously in Taipei and Tainan.

- HTC has demonstrated comprehensive excellence in corporate sustainability and climate action in 2025, received multiple accolades for its ESG efforts. Based on annual achievements, the company received four awards at the 2025 18th Taiwan Corporate Sustainability Awards (TCSA), three ESG for Culture Impact Awards from the Taiwan Creative Content Agency (TAICCA). Furthermore, ISS STOXX, a globally recognized provider of sustainable and responsible investment research, rated HTC as “Prime”. By continuing to systematically integrate ESG strategies into its core operations, HTC continues to drive its net-zero transition and create long-term corporate and social value
